Subject: Deadline Extension Request - Section 104(e) Request to La Mirada Products Regarding Behr Dayton Site

Dear Mr. Rafati,

Thank you for taking my call this afternoon regarding a possible extension for La Mirada Products Co. Inc. (f/k/a DAP, Inc.) to respond to the EPA's Section 104(e) information request relating to the Behr Dayton Site.

La Mirada respectfully requests a 60-day extension to respond to the Section 104(e) information request. I am aware that the typical extension is 30 days. However, the § 104(e) information request contains 46 separate requests, many of which also contain 3-6 subparts/sub-requests. Given the significant number and extent of the requests, an additional 60 days is reasonable and necessary for La Mirada to investigate, search for documents and information, and prepare adequate responses.

The current response deadline is July 12, 2018.

Please let me know if a 60 day extension is agreeable, and please free to call or email me if you have any questions, comments, or concerns.

Best regards,

Fernando
